

Terms of Service

Terms of Service are referred to as TOS. CCLG Moderators ensure TOS as this is an open (publicly visible) discussion platform.

Personal Attacks: Be sure you are debating the idea and not attacking the person. This also refers to making personal comments to the other poster.

Responding to violations: DO NOT respond to violations!!!! Instead, report the violations. Also, please consider that we moderators all have jobs and are not on here 24-7. While we will respond to your reports ASAP, please do not continuously report the same post. We, or another moderator, will respond!

Staying on Topic: A little off-topic here and there is fine, but let's not abandon the Original Post entirely.

Advertising: Simply no advertising.

Complaining: This is an open forum and people are basically permitted to post here whether or not they still live in the area. As long as the post is not totally off-topic, the poster does have the right to voice his or her opinion, even if you may not agree with it; however, TROLLING is not permitted.

Racially insensitive remarks: It is sad that this has to even be mentioned, but please refrain from making remarks that are hurtful, unkind or racially insensitive.

Calling out moderators: If you have a question about a post that was removed, feel free to contact us. Calling out the moderators in the posts will result in another infraction.

Copyright: When you come across interesting articles on the internet, feel free to post the link to them. Posting an article that you do not own the rights to is copyright infringement.
